on or after July 6th, 2010.

DESCRIPTION OF WORK: The University of Idaho is seeking services by a qualified consulting team to assist the university with Professional Design and Consulting Services for the Proposed Renovations

ADVERTISEMENT FOR PROFESSIONAL SERVICES

and Improvements to the Dan O'Brien Track & Field Complex located on the main campus of University of Idaho, Moscow, Idaho.

ESTIMATED COST: Initial Budgetary Assumptions are based upon a total project cost budget of \$2,500,000 for all project costs. Additional services may be required and/or requested.

MISCELLANEOUS: Firms interested in responding to this RFQ are hereby advised that Idaho law prohibits persons and firms from practicing or offering to practice architecture, landscape architecture, planning consulting or civil engineering services in the state of Idaho without being properly licensed. Persons or firms considering responding to this RFQ are advised to contact the State of Idaho, Bureau of Occupational Licenses, regarding Idaho licensing requirements.

Signed

Lloyd Mues, VP, Finance and Administration
UNIVERSITY OF IDAHO
Moscow, Idaho
