

POSITION OPENING:

Richard M. Shanahan Architects, Inc. has an immediate opening for a skilled Project Manager in our Bozeman, Montana office. If you have excellent project management skills and can help us meet our project goals, we are looking for you.

The ideal candidate will possess an architectural degree, at least three years project management experience and is preferably licensed. He/she will take design drawings through construction documents and oversee construction administration. He/she must have the ability to communicate effectively with clients, consultants, and contractors, ensuring a quality end product. The best fit for our firm would be an individual who is willing and able to not only coordinate production, but also draft proficiently using AutoCAD 2008.

Competitive compensation for a full-time employee will be based on experience. Please submit your resume to: Human Resources, Richard M. Shanahan Architects, Inc. P.O. 1791, Bozeman, MT 59771, or email to your resume to Stacie Kuipers at [skuipers@shanahanarchitects.com](mailto:skuipers@shanahanarchitects.com). Richard M. Shanahan Architects, Inc. is an Equal Opportunity/Affirmative Action Employer.
